

This Research Report has been prepared by Southern Cross Equities Limited (Southern Cross Equities), holder of Australian Financial Service License No.247027, which authorises Southern Cross Equities to provide financial services to both retail and wholesale investors.

Southern Cross Equities is a wholly owned subsidiary of Bell Financial Group Limited. 'Bell Direct' and 'Desktop Broker' are the trading names of Third Party Platform Pty Ltd, which is 36% owned by Bell Financial Group Limited. While Third Party Platform's business is oriented to the online provision of financial services to self-directed retail investors, Southern Cross Equities' business is oriented to the provision of financial services to wholesale and professional investors.

Important Note: There will be a delay between the date at which this Southern Cross Equities Limited Research Report was originally published and the date the Research Report has been provided to Third Party Platform Clients. Third Party Platform Clients should take this time delay into account and consider that the information in the Research Report may have been superseded at the time of reading.

Southern Cross Equities has authorised Third Party Platform to provide Southern Cross Equities' Research Reports to Third Party Platform clients. No changes can be, or have been, made to Southern Cross Equities' Research Reports by Third Party Platform.

Third Party Platform Clients receiving Southern Cross Equities' Research Reports should carefully consider the Disclaimers and Disclosures made by Southern Cross Equities at the conclusion of the Southern Cross Equities' Research Report. In particular, regard should be had for any disclosure by Southern Cross Equities, where it has provided corporate finance services to the company, which is the subject of the Research Report.

Third Party Platform clients should be mindful that the Southern Cross Equities Research Report constitutes general investment advice only. In addition, Third Party Platform reiterates the point that the Research Report has been prepared without consideration of any specific client's financial situation, particular needs or investment objectives. Clients should also assess the level of risk involved and the appropriateness of any investment before making a decision to invest.

Third Party Platform, its directors, employees and consultants do not represent, warrant or guarantee, expressly or impliedly, that the information contained in the Southern Cross Equities Research Report is complete or accurate. Nor does Third Party Platform accept any responsibility to inform a Client of any matter that subsequently comes to either Third Party Platform's or Southern Cross Equities' notice, which may affect any of the information contained in the Research Report.

Third Party Platform also provides Bell Potter Securities Limited (Bell Potter Securities) Research Reports online to its clients. While both Bell Potter Securities and Southern Cross Equities are both wholly owned subsidiaries of Bell Financial Group Limited, the Research Departments of each subsidiary company are managed and operated completely independently of the other. Therefore, it is conceivable that both Bell Potter Securities and Southern Cross Equities might issue Research Reports in relation to the same company and it is therefore possible that such Research Reports may come to different conclusions and provide different recommendations. In such event, regard also needs to be had to the date of both Research Reports.

Third Party Platform receives commissions from dealing in securities. Third Party Platform and its associates may hold shares in a company, which is the subject of a Southern Cross Equities Research Report. This Research Report is for the use of Third Party Platform Clients and may not be distributed to anyone who is not a client of Third Party Platform.
